

Chicago's South Asian hot spot

KEY 1 (●) = 5 Pakistani residents 1 (●) = 5 Indian residents

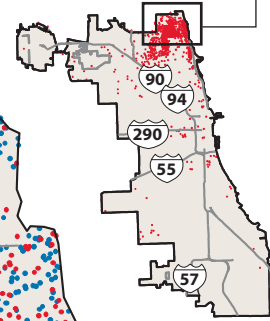

As the residential and commercial center for Chicago's Indian and Pakistani communities, Devon Avenue also attracts a high volume of visitors, often straining traffic.

Chicago's Indian population

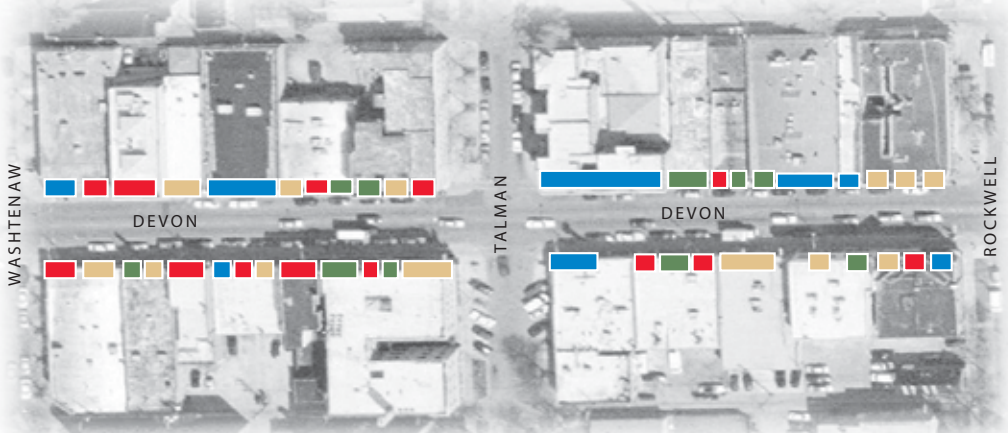

Chicago's Pakistani population

Busy street

A typical two-block area of Devon Avenue contains more than 40 businesses operated by people of Indian or Pakistani heritage, a commercial density that can cause neighborhood parking hassles.

Storefronts by type: ■ Jewelry ■ Clothing/fabric ■ Restaurant/grocery ■ Other*
